**Project WASH IDP**

Improved Water, Sanitation and Hygiene Services for IDPs and their host families in Cabo Delgado province (WASH IDP)

**Beneficiaries**

Host communities in Chiúre and Ancuabe districts, Cabo Delgado province, and communities regularly affected by cholera.

**Ancuabe district: 11 communities**
Mbonge, Nacapa, Nana A, Ntele, Ntuto, Nankumi, Ngeue, Nannona, Naputa, Nanao B and Nanjua B

**Objective**

Contribute to increased coverage and access to safe water and sanitation and promote good hygiene practices for the population well-being.

---

**Outcomes (2021)**

- Built 2 new boreholes with AfriDev pump (Nankumi B);
- Rehabilitated 7 (2 Nicuita, Nana A, Nanhomane, 2 Mesa Sede)
